

# Five Towers

## Materials

unifix cubes

5 dice

recording sheet

Directions: Students each roll 5 dice. Then they build towers according to the number on each dice they rolled.

Next they put them in order from least to greatest or greatest to least. Students then record a number sentence, visual representation and the total number of cubes that were used.

Example

# Five Towers

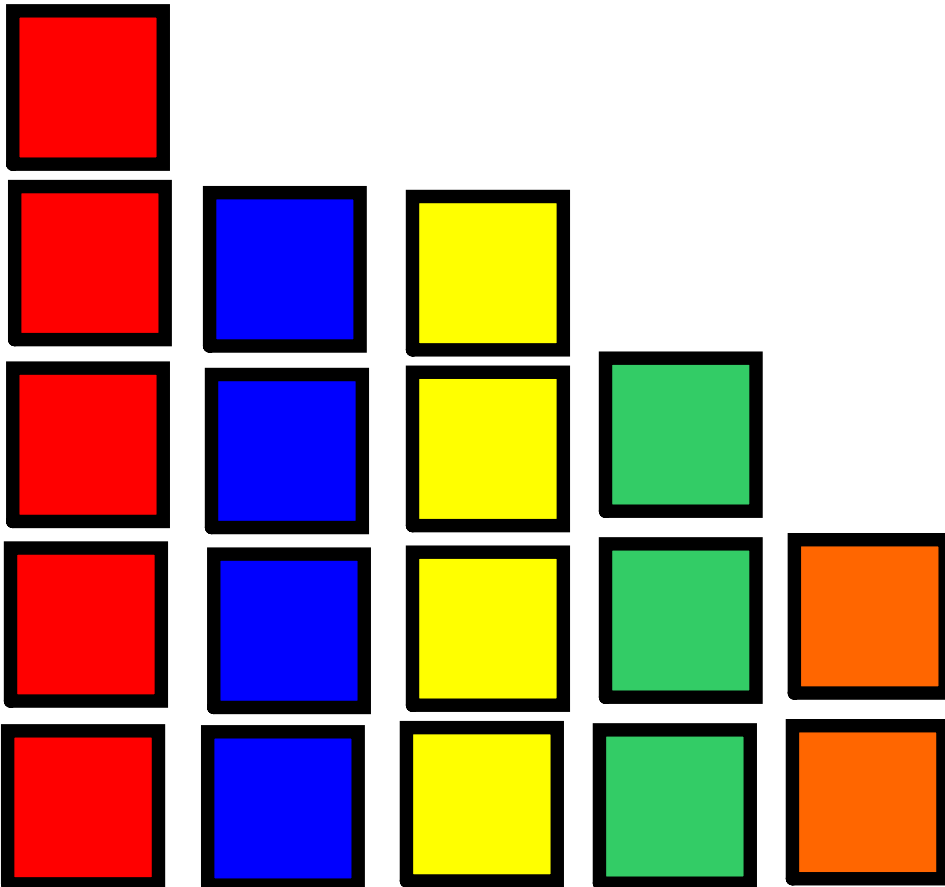

Recording Sheet

Draw your five towers

Number Sentence

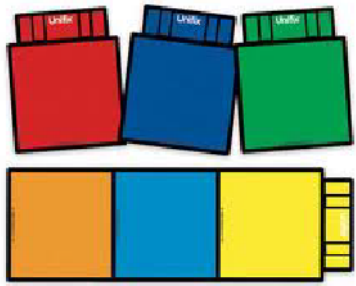

greatest to least

$$5 + 4 + 4 + 3 + 2$$

Total cubes used 18

# Five Towers
