

A colorful border surrounds the central text. At the top, a girl in a purple dress carries a large yellow block, and a boy in a green shirt carries a large yellow cross. In the center, a purple abacus with red beads is shown. The background is a gradient from orange at the top to red at the bottom. The border is decorated with several small chalkboards, each displaying the addition problem  $2 + 2 = 4$ , and large yellow 3D letters spelling 'A+'.
