# Setting

The setting of a story helps set the mood of the story.

**Directions:** Think of a setting for a story and write the setting. Write what the mood of the story would be and what the story would be about.

**Ex:** Setting

**Where:** a dark, misty forest

**When:** early evening

The story would be scary.

The story would be about strange footprints found on the ground in the dark, misty forest.

## Setting

**Where** \_\_\_\_\_

**When** \_\_\_\_\_

**Write what the story would be about based on the setting you chose.**
